The first business meeting of the season was held at Gaeta's Shop on Wednesday, Sept. 3. The business of the day consisted of reminiscence on vacation clearing up business accrued during the summer.

Don Gleasner, Dean of Girls High, contributed a beautiful brooch and earring set, a souvenir of her trip to Mexico, to a fund to raise funds for the fund means committee. Grace Hays, City Tax Collector, won the set.

City Council OKs Blasting to End Work on Hill

A request by the Morrison, Knudsen Company for an extension of two weeks on their blasting permit for work they are doing on Albany Hill was granted by the City Council Tuesday night upon the recommendation of the Park and Planning Commission. The additional time was requested to level off sharp cliffs and put the hill in a presentable condition.

After a wordy discussion between citizens protesting the blasting and council members, the request was granted by a four to one vote. Councilman Raymond F. Cleary cast the dissenting vote.

Legion Post 292 To Hear Wounded Vet Sing Tonight

By WALTER HOLLAND

With the vacation season on the wane, Albany Post 292, The American Legion, will start a series of programs and activities to hold the interest of local veterans during the fall and winter seasons.

On Friday, Sept. 5, at the Memorial Building, Le Roy Holland and Godfrey P. Hanson have arranged one of the finest evenings of music Albany Post has ever had. The singer for the evening will be Deno Kosta a veteran now hospitalized at the Oakland V.A. Hospital. Kosta was wounded while in the South Pacific and has spent 3 years in Navy and V.A. hospitals.

While in the Navy Hospital at San Diego he appeared as guest soloist for the San Diego Light Opera Company, singing roles in the "Mikado" and "The Chocolate Soldier." He also appeared in concerts while an ambulatory patient at the San Diego Hospital.

"I hope an operation recently performed on my leg at the Oakland V.A. Hospital will be the one that will release me so I can take up my musical studies and career again," said Kosta. "It is a pleasure for me to appear, when I am able, to perform for veterans, especially the boys still in the hospitals."

Albany residents will be permitted the use of the Berkeley dump at the foot of Virginia Street for disposing of clean refuse on the days when the Albany Race Track is in operation, according to City Engineer E. A. Tarr.

An agreement has been reached with Berkeley for Albany to use their dump between the hours of 8 a. m. and 4 p. m. on Monday through Saturday. Dumping in the Albany property may be continued on Sunday during the usual hours of 8 a. m. to 4 p. m.

Albany Officials At Meeting of Cities League

Mayor Harold W. Anderson of Livermore is the new president of the Eastbay Division of the League of California Cities, comprising 17 cities throughout Alameda and Contra Costa Counties.

Mayor Anderson was elected to succeed Mayor Winthrop J. Branschied of Alameda during an outdoor barbecue meeting held recently at the cattle ranch of Arthur Holm, which was attended by more than 500 persons. Representing Albany were Mayor Lawrence Williams and Mrs. Myrtle McLean, city clerk.

Other officers elected were: Leonard McClintock, city administrator of Martinez, as vice-president; Branchied, as league director, and Mrs. Ruth Kemp, city clerk of Berkeley, as secretary-treasurer. Included on the nominating committee were: William A. Meinheit, firechief of Berkeley; Thomas O. Knick, mayor of San Leandro, and Don C. McMillin, city manager of Alameda, committee chairman.

MORGAN'S MEANDERINGS

By M. S. T.

The "public meeting" scheduled for last Friday night in the City Hall turned out 12 public spirited citizens. Granting that the Labor Day week-end was a bad time for such a meeting, there still must have been more than 12 citizens in the city who care to keep Albany's libraries going.

Officer Perkins was cutting out paper dolls Tuesday morning while watching over the switchboard in the Police Station. They turned out to be place cards for the Exchange luncheon that day and were in the race track motif.

That vacation time is definitely over is proved by the number of familiar faces back in town. For instance: Sigrid Oakley back at the city switchboard and enthused about the 17 mile drive down Carmel way. . . . Legionnaire Walter Holland and the Missus back from Yellowstone and bragging about the four fish they caught. . . . Yvonne Walkup, looking like ump-teen million dollars after five days in Oregon and a week up the Russian River. John W. Lesslie will be back in town Monday after a visit with his mother in Klamath Falls, Oregon.

Ball Game Scheduled For Masonic Picnic

A baseball game between the members of Albany Lodge No. 686 and the Brothers Club of Albany Chapter No. 550, O.E.S. will be the highlight of the third annual picnic which the two groups are sponsoring at Curry Park on Sept. 21 for Masons and their friends.

Prize winning games and contests for women and children, soft drinks for the kiddies and swimming and hiking will make the picnic a big day for all attending. Coffee will be served by Ray Graham.

More than 3200 Albany youngsters will pick up their books and return to school on Wednesday, Sept. 10, as enrollment begins today for what school officials predict will be the largest number of students ever registered here.

Thirty new teachers will be on the faculties of the elementary and high schools. A workshop meeting of these teachers will be held at Marin School at 9:30 a. m., Monday, Sept. 8, to brief them on their duties and responsibilities in the new position. All teachers will meet at 2 p. m. in the Marin School Auditorium to hear Roy E. Simpson, California State Superintendent of Public Instruction speak on "Education—A Positive Factor."

New students at Albany High School will register on Monday, Sept. 8, according to Chas. Moore, Principal. At this time counselors will plan semester programs for new students. Eighth grade students in attendance at Cornell, Marin, and Codornices last semester will report to the High School Cafeteria at 8:25 a. m. Wednesday, Sept. 10.

Executive Board of Cornell Dads Club in First Fall Meeting

The Executive Board of the Cornell Dads Club held their first meeting of the school year on Thursday evening Aug. 28 with President Jerry Thompson presiding. Programs and events for the coming year were planned.

Manager Wally Mardilla reported that a nucleus of the ball team has been practicing throughout the summer and the Dads will field a team in the Albany Recreation League which starts Sept. 14.

Mardilla was appointed chairman of the paper drive which the Dads will conduct on Sunday, Sept. 21. This will be a city-wide campaign to raise funds for welfare work during the year and all residents are urged to deposit papers, magazines (Continued On Page Six)

Photography to Be Offered at Evening School

Photography for both beginning and advanced students will be among the new courses offered by the Albany Evening High School, 603 Key Route Blvd., according to Robert G. Dennis, Principal. This class, which will start on Wednesday, Sept. 17, will be held each

Wednesday evening from 7 to 10. The first session of the course will include work for both beginning and advanced students. However, it is planned to conduct two classes, one for beginning students and one for advanced, as soon as the needs of the registered students have been determined.

No prior registration is necessary but those interested in either the beginning or the advanced work should attend the first session and register, as the capacity of both the beginning and the advanced

class will be limited. The classes will have darkroom facilities available, including an enlarger, a contact printer, developing tanks and trays, and related equipment.

The beginning class will emphasize composition and good technical quality in the print. This includes close-up portraits, groups, action pictures and landscapes. The advanced class will study further application of the fundamental principles of portraits, pictorial photography and commercial photography. Attention

Department of Unemployment Wages FIGHT AGAINST FRAUDS

Results of the first few weeks of the Department of Employment's intensified campaign against unemployment insurance chislers have been most gratifying, it was reported today by James G. Bryant, Chairman of the California Employment stabilization commission.

"While the intensified campaign has only been carried on in the Sacramento Valley for the past three weeks and in the San Joaquin Valley for the past four weeks, it is evident that the Department's program is achieving results," Bryant declared. "The unemployment insurance claim load in the Sacramento Valley has decreased about fifteen per cent and by about five per cent in the San Joaquin Valley. This includes both claims for State unemployment insurance and for G. I. benefits, and is accounted for mostly by failure of claimants to return for their checks."

About ninety possible fraud cases are now being processed in both valleys and about twelve complaints have so far been actually filed with prosecuting authorities in valley cities. In addition, restitution of jobless benefits is being obtained in about 180 additional cases where no evidence of legal fraud was apparent.

Bryant also announced that the Department's regular program of checking jobless insurance claimants and fraud investigation would

be given in both classes to lighting, camera angle, etc., and there will be demonstrations of optics and chemistry.

Walter Bunnell, well-known photographer and teacher whose methods of teaching photography attained recognition in Los Angeles and Hollywood, will be the instructor. A number of his articles and features have appeared in national photographic magazines.

be continued throughout the State. During the week ending August 14th, 4,572 individuals who drew more than five consecutive jobless insurance checks were called in for interview. Of this number, 747 or almost seventeen per cent failed to report and were promptly disqualified. An additional 559 or fifteen per cent were referred immediately to jobs, and 663 or almost eighteen per cent were disqualified, two-thirds of whom were held to be not available for work.

'Y' Gym

According to an announcement by Elmer F. Coble, Executive Secretary of the Albany 'Y,' all Gym activities will be suspended next week starting Monday, Sept. 8, to permit the laying of a top-coat on the floor.

Bob Woolworth, local paint contractor, is doing the job.

Convalescing

Veterans News

The Veterans Administration has guaranteed 6,899 business loans for California veterans of World War II under the G. I. Bill. The loans are valued at \$25,576,000.

Veterans have obtained loans to start businesses of all types. The vast majority of veteran business enterprises have been successful to date since only 246 of the loans have resulted in claims against the government.

Business loans obtained by veterans are about equally divided between northern and southern California. The San Francisco regional VA office has guaranteed 3,333, the Los Angeles Office 3,307 and San Diego 259.

The Veterans Administration recently compiled the 10 questions most frequently asked by World War II veterans about business loans. The questions and answers are:

Question: How does a veteran go about getting a loan for business purposes?

Answer: As in the case of home loans, he first must find a bank or other private lender willing to advance him the money.

Q. How much of a business loan made by a lender will VA guarantee?

A. VA will guarantee 50 per cent of the loan up to a maximum of \$4,000 if the loan is for the purchase of business real property, and up to \$2,000 for non-real estate business loans, such as for working capital.

Q. Can the veteran get a guaranteed loan for any type of business?

A. If the lender is willing, the loan may be used for any legitimate business purpose.

Q. Is there any limit to the duration of a business loan?

A. Non-real estate business loans are repayable in 10 years or less; real estate loans may run up to 25 years.

Q. Can a veteran enter into business with non-veterans and obtain a guaranteed loan?

A. Yes, provided the interest of the veteran is properly protected, but the guarantee must be limited to the veteran's portion of the business.

Q. Doesn't the veteran also get a gratuity payment of some kind?

A. Yes. VA pays the lender, for credit to the veteran's loan, an amount equal to 4 per cent of the guaranteed portion of the loan. For example, if the guaranteed portion is \$3,000, the lender will receive \$120 from VA to credit to the debt of the veteran.

Q. What interest rates are lenders permitted to charge on business loans?

A. In most cases, 4 per cent is the maximum. However, the interest rate may be slightly higher for

certain types of insured business loans.

Q. Must the veteran be experienced in the line of business he proposes to enter?

A. Experience is an important element in the success of the average business. The veteran should be able to show a reasonable expectation of success in his venture.

Q. Can a veteran get a G. I. business loan to buy a pleasure car or furniture for his home?

A. No. The loan must be used

by the veteran for business purposes only.

Q. Does a veteran have to operate the business himself?

A. Yes, the veteran must operate his personal labor or supervise the enterprise, or to the practice a profession, on a full or part-time basis.

United Employers Make Survey on Recent Key Strike

While the recent transportation tie-up put a crimp in the normal operation of all business in the East Bay, the dent in the all over picture was not devastating, a survey conducted by United Employers, Inc. indicates.

Pollled in the survey were the 800 member firms of United Employers, Inc., which represents the majority of the employing community. Of the firms reporting, over 50 per cent indicated that a majority of their employees were dependent on some type of transportation to reach places of work. This includes trains, streetcars, buses and automobiles. The rest of the employees live within walking distances of employment.

Over 75 per cent of plants, firms and retail establishments reported no increase in absenteeism. In cases of late to work arrivals and early departures due to transportation difficulties, the majority of the companies did not dock the employees' pay.

Hardest hit during the tie-up were downtown Oakland retail establishments which reported a 30 per cent drop in sales volume due to the inability of shoppers to reach stores. Production losses were slight and only two manufacturing firms were forced to close operations during the tie-up period.

Veteran Students Warned to Get Applications Now

Veterans Administration officials today warned veterans planning to attend California College and uni-

versities to arrange for entrance into schools of their choice or run the risk of being "shut out" at the last minute.

At the end of May, California had the third largest number of veteran students enrolled in its schools and colleges of any state in the Nation. The total was 126,000 and a new

record enrollment is expected this fall.

VA officials also advised veterans who plan to start their educational training in September to apply at once to the nearest VA office for their certificates of eligibility. This certificate is necessary to establish the right to training or

educational benefits of the G. I. Bill.

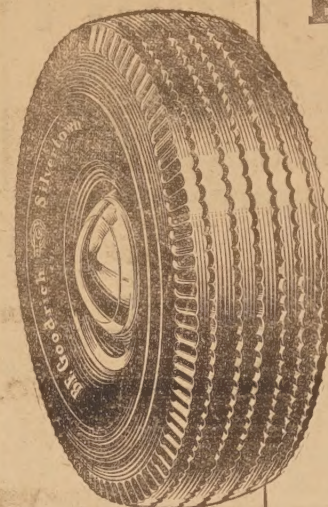

Many veteran students desiring entrance to California Colleges have already been shut out because of overcrowded conditions and as a result have to enroll in junior colleges which have more vacancies than other institutions.

Sol Rindsberg and Bride Make Home in Northern California

The little city of Lucerne, Lake County, has two new citizens now. Sol Rindsberg (Marge Martin) have settled there after their wedding on Aug. 15 at the University First Christian Church, Berkeley.

The bridegroom, born and raised in Albany, graduated from Albany High and served four years in the Army Air Forces during the war. He was recently part owner of Sol and Wills Service Station here prior to buying his store in Lucerne. His former business partner, Wilford Senior, served as best man at the wedding. Rindsberg was First Vice President of the Albany Junior Chamber of Commerce.

The new Mrs. Rindsberg is the daughter of Mrs. Isabelle Thomas of Long Beach. Her sister, Mrs. Lloyd Hendrickson, served as her attendant of honor. A wedding dinner was held at the home of the bride at 1018 Talbot Ave.

Those receiving certificates were Rev. and Mrs. Edward Bass; Messdames Dorothy Bertram, Ethel Bertram, Elvina Gould, Olive Hupman, Roy MacDaniel and Annie Taylor; Misses Garnet Bertram, Eva Esmond, Jean Klingsmith, Joyce Klingsmith, Verle Pilot and Barbara Taylor; Harold Bertram, Wm. Chamberlain, Ray Jackson and Roy MacDaniel.

Dr. Smee spoke to the candidates for membership and the meeting closed with the election of the new church board.

Family Heirloom Worn By Shirley Coble at Her Recent Wedding

Gowned in pale pink taffeta Miss Shirley Coble became the bride of Orin K. Owen at the Calvary Presbyterian Church on Saturday night, Aug. 23. Made with a high neckline, tiny collar and bustle back with a train, the gown's main ornamentation was an exquisite pearl brooch that has been in the bride's family for over 100 years. The bridal bouquet was of gardenias and bouvardia.

Shirley, daughter of Mr. and Mrs. Elmer F. Coble of 520 Arlington Ave., was led to the altar by her father. Serving the bridegroom as best man was his brother, Kenneth. Shirley's only attendant was her sister, Barbara, who wore a deep blue taffeta and carried apricot begonias.

The bridegroom, son of Mr. and Mrs. Orin K. Owen of Hilgard Ave., Berkeley, was a former lieutenant in the Army Air Forces and is now attending the University of California where he is majoring in business administration. The bride's father is the popular director of the Albany YMCA and is active in Red Cross and other civic groups.

Friends Mourn Passing Of Nina Wade Benson

Grieved relatives and friends gathered in the chapel of the Ellis-Olson Mortuary on August 28 to pay their last respects to Mrs. Nina Wade Benson, 47, who died in her home at 608 San Carlos Ave., after a long illness.

Surviving are her beloved husband, William T. Benson, two daughters, Mrs. Nina Marioso of San Rafael and Beverly June Benson and a son, Charles Benson of Richmond.

A native of Utah, Mrs. Benson had resided in Albany for 20 years. She was a member of the Church of Jesus Christ Latter Day Saints. Her body was sent to Salt Lake City, Utah, for burial.

Salmon fishing is excellent at Trinidad and Humboldt Bay, reports the National Automobile Club. Anchovies are proving the best bait. Both Lower Eel River and the Klamath are producing good catches of steelhead.

Safe Drivers to Receive Citations in Alameda Co.

Authorities in Alameda County will reverse law enforcement tactics during the month of September, when "Safe Driving Citations" will be issued to motorists observed driving with care and courtesy. During the thirty-day period, cautious drivers may be considerably surprised when the friendly whine of a police siren halting their vehicle, nets a good driving award and not a "pink slip."

The Chiefs of the Police Departments from cities in Alameda County together with the Captain of the Highway Patrol and Safety leaders in the East Bay, met at the Hotel Leanington last Wednesday to map out their program for the coordinated use of the citation.

The citations for safe driving will be given by a traffic officer to a motorist for exhibiting road courtesy and proper attitude beyond the call of safe driving demanded by the law. These acts of courtesy and proper attitude must be observed by an officer, just as our misdeeds are observed. In this case, instead of being apprehended and cited into court, the motorist will be given a friendly pat on the back, and the

citation will be evidence of his good driving performance.

Issuance of the citations began August 25th, when all Police and Highway patrol agencies will be on the lookout for Safe Drivers. Violations of traffic and motor vehicle ordinances will not, however, be

ignored during the citation campaign.
